[GENTRY—WHALEY.

The home of Mr. and Mrs. Arthur Whaley was the scene of a beautiful wedding last evening, when their only daughter, Miss Frankie, became the wife of Prof. E. M. Gentry of Winchester. The bride was attired in a beautiful white mull gown, the gift of her mother. As they descended the broad staircase Mendelssohn's beautiful Wedding March was struck up and played while the ceremony was being performed, Mr. John M. Taylor presiding at the piano. The bride is one of our most accomplished and popular young women, having taught in the Public Schools for the past four years. Prof. Gentry is favorably known as one of our rising educators, being a graduate of Berea, Fisk and Ann Arbor Universities. Owing to the recent death of the bride's aunt, only the relatives and immediate friends were present. The bride was the recipient of a number of handsome presents from both white and colored friends. One of the most beautiful ones was a silver loving cup presented by the teachers and pupils of the Fifth Street School. Rev. Broadus performed the ceremony in his usual impressive manner. Mrs. L. D. Henderson presided over the punch bowl. After a few days' stay with the bride's parents the happy couple will leave for Clark county to spend their honeymoon.

Deafness Cannot be Cured
by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.
We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free. F. J. CHENEY & CO., Toledo, O.

HANDICAPPED.

This is the Case With Many Maysville People.

Too many Maysville citizens are handicapped with a bad back. The unceasing pain causes constant misery, making work a burden and stooping or lifting an impossibility. The back aches at night, preventing refreshing rest, and in the morning is stiff and lame. Plasters and liniments may give relief but cannot reach the cause. To eliminate the pains and aches you must cure the kidneys.

Doan's Kidney Pills cure sick kidneys and cure them permanently. Can you doubt Maysville evidence?

Mrs. Nathan A. Hafer, Maysville, Ky., says:

"My opinion of Doan's Kidney Pills is so high that I have not the least hesitation in publicly recommending them. For ten years I was bothered by kidney complaint, during which time I tried various remedies without obtaining benefit. There was a constant, dull ache across my back, often accompanied by sharp rheumatic twinges throughout my body. I was also subject to nervous headaches and dizzy spells, and on arising in the morning I felt tired. My husband advised me to give Doan's Kidney Pills a trial, and I procured a box at J. Jas. Wood & Son's Drugstore. They cured me in a short time."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

IT TAKES SO LITTLE.

It takes so little to make us sad.
Just a slighting word or a doubting sneer,
Just a scornful smile on some lips held dear;
And our footsteps lag, though the goal seemed near.

And we lose the courage and hope we had—
So little it takes to make us sad.

It takes so little to make us glad,
Just the cheering clasp of a friendly hand,
Just a word from one who can understand;
And we finish the task we long had planned,
And we lose the doubt and the fear we had—
So little it takes to make us glad.

There was something doing down in the West End C. and O. Yards yesterday. Up to 2 p. m. there had passed through the yards sixteen sections of Westbound freight, totaling 650 loaded cars. Some business that, don't you think?

THE BUILDING BOOM

New Residence of Mr. William Groppenbacher to be One of the Finest in City

A few days ago THE LEDGER stated that the new residence of Mr. William Groppenbacher in East Second street would cost \$5,000. It will cost more than double that sum, and is to be one of the handsomest and most complete in the city of Maysville. Ground has been broken for the new building and the architect and builder, Mr. B. S. Sidwell of Georgetown, O., who showed us the blue prints, says it will be finished in three months.

It is to be modern in every respect, will have two stories, finished attic, cement basement, hot water heat, electric lights, hard wood floors, bay windows, roomy verandas and porches, built on corner lot, and fronts East and South. Its entire cost will approximate \$12,000 and Mr. Sidwell will have full charge of every item of its construction.

Mr. Frank Harting has bought the Shackelford home in West Second street for \$3,500.

So far about sixteen dogs have been cholo-reformed at the City Morgue.

HANDSOME BOATS

Two handsome motor launches, the "Pamela" and "Gera L. No. 2," dimensions 40x8 feet, were moored at the wharf this morning. The former is in command of H. E. Barnes, accompanied by wife and son, and the latter by Mr. and Mrs. C. S. Emrick. They are members of the Newport Boat Club enjoying an up-river cruise, Captain Barnes to Pittsburgh and Captain Emrick to Kanawha Falls. Both boats are of modern type, of beautiful lines and elegantly furnished. They will cruise along at an eleven mile gait and return here July 4th.

STRUCK BY LIGHTNING

William Dillon, Jr., Killed Near Sardis 'in Last Afternoon's Storm

Lightning claimed another victim during the storm which swept over Mason county last afternoon between 3 and 4 o'clock.

William Dillon, Jr., while at work on a barn on the farm of Mr. R. O. Chambers near Sardis, was struck and instantly killed, while others also at work on the building were more or less shocked, Ira Wiggins being badly stunned, but afterward coming around all right.

Young Dillon was 18 years of age and was the son of Mr. William Dillon, who resides in the vicinity of Salem Church.

APPEARING OLD

Acts as a Bar to Profitable Employment.

You cannot afford to grow old. In these days of strenuous competition it is necessary to maintain, as long as possible, one's youthful appearance. It is impossible to do this without retaining a luxuriant growth of hair.

The presence of Dandruff indicates the presence of a burrowing germ which lives and thrives on the roots of the hair until it causes total baldness.

Newbro's Herpicide is the only known destroyer of this pest, and it is as effective as it is delightful to use.

Herpicide makes an elegant hair dressing as well as a Dandruff cure.

Accept no substitute—there is none.

Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.

11 Bottles Guaranteed.

J. JAMES WOOD & SON, Special Agents.

John Marshall Bass, colored, had an interview with Judge W. H. Rice yesterday, which resulted in the genial Judge and match-maker officiating at the marriage of the said John Marshall Bass and Emma Pierce Beckett. The Judge is a kind of a Solomon, in a way.

Mrs. James Maley of Lewistown, who has been seriously ill for the past seven weeks, is now convalescing.

Mr. Thornton Ammerman of this city yesterday filed divorce proceedings in the Mason Circuit Court against Anna Ammerman.

Mr. Scott Collins of Mayfield, recently returned from Denver, Col., whither he had gone for the benefit of his health, is very much improved since his return and in charge of his home physician.

COUNTY INFIRMARY

An Imperative Necessity—The Present Shacks a Disgrace to the County

Maysville in the past several years has shown a zeal and enterprise in developing her internal and material interests in the way of building schoolhouses, brick streets, concrete sidewalks and other civic enterprises that are worthy of commendation and approval.

She has simply emerged from a fog and somnolent state, for which let us be thankful.

How is it with wealthy Mason county? With a tax list more than double that of the city of Maysville, she is in a position, and amply able, to do something in a progressive line. It is encouraging to note that her Fiscal Court has awakened to an imperative necessity, a new and up-to-date County Infirmary, and has ordered a vote taken on the issuing of \$80,000 worth of bonds for the construction of same.

Of the one hundred and nineteen counties in the State, Mason county stands about tenth in wealth and population, and in comparison with other counties stands way down the line when it comes to County Infirmaries—homes for caring and providing for worthy indigents.

Mason County's Infirmary is a blight and a disgrace—a blot on the fair name of the grand old county.

If the voters of Mason county will thoroughly inform themselves of the conditions as they exist today and the absolute necessity of providing a building suitable for the proper housing and maintaining our unfortunate poor, they will not hesitate to vote for the measure calling for \$80,000.

You Christian, people give the matter your thoughtful consideration, and when the time comes vote for it.
